Furniture for Residence Life

Sustainable • Durable • Affordable

SUSTAINABLE ■ DURABLE ■ AFFORDABLE

Ecologic Furniture is committed to designing and manufacturing the most sustainable, durable, and affordable contemporary furniture for the residence life market. We strive to exceed your expectations with high-quality furniture. Our products are developed to be long-lasting and relevant, providing years of value. Design, durability, value and exceptional service make Ecologic® the right choice for your furniture needs, every time.

Ecologic® offers all lounge collections in a vast array of textiles and leathers. With a broad offering of styles, textiles, and leathers we are sure to find a solution for your student housing project. Each collection includes a sofa and coordinating pieces to fit any room layout. Our modern and transitional designs will last for years in student units or common areas. Our commitment to quality is backed by our standard warranty.

SUSTAINABLE

For over 20 years, we have been a pioneer in sustainable business practices, recycling and green manufacturing. We are proud to be part of the responsible management of the world's forests, so we can offer our products with FSC CoC certification. We can also work with you on your green initiative project.

- **EcoLeather™** recycled leathers and fabrics
- **EcoSteel™** 30% recycled/70% recyclable steel
- **EcoLumber™** recycled plastic used in **EcoPlus™** line and stacking pins
- **EcoTimber™** fast growing renewable hardwoods
- **EcoConstruction™** proprietary construction techniques designed for student housing
- Green-guard certified laminate panels
- Ability to provide Forest Stewardship Council Chain of Custody certification (FSC CoC)
- Strive to reduce HAPs [Hazardous Airborne Pollutants] and VOC [Volatile Organic Compounds]

DURABLE

Each lounge piece is constructed for long-lasting comfort. Our durable foam cushions are supported by a no-sag sinuous spring system attached to a hardwood frame. Our tailored cushions offer smooth corners and seams that support weight evenly throughout the seat for maximum comfort. Our fabrics and finishes meet and exceed furniture industry standards. Ecologic engineering features modular construction that allows for easy assembly, repair, and re-upholstery. Our collections also allow you to choose environmentally-friendly products to demonstrate your commitment to sustainability.

AFFORDABLE

Ecologic offers the residence life furniture industry's only EcoLife™ Lifetime Warranty, EcoCare® customer service plans, professional interior design services and more to make Ecologic student lounge furniture cost-effective to buy and to own.

Surface Materials – Upholstery

Ecologic® offers surface material choices that allow you to customize each collection with ease. Our broad fabric, vinyl, and EcoLeather™ selections take your space from average to extraordinary. With our extensive coordinated textile offerings we can help make your space stand out, making your project environmentally-friendly and aesthetically-pleasing. Our surface materials are contract grade for student living with the durability to last. The core fabrics shown are just the beginning, our sales team will find what you need from our industry leading textile manufacturers when your project calls for a specific colorway.
