ECOLOFT • On-Campus Series

Furniture for Residence Life

Sustainable • Durable • Affordable

In 1989, before the government developed environmental protection

legislation, **Ecologic®** was setting our own standard for sustainable practices. We engineered a new line of student furniture using reclaimed resin to safeguard the environment. **Ecologic®** believes we have a responsibility to offer collections that focus on sustainability. Therefore, we created **EcoPlus™** as a sustainable option for our EcoLoft Collection. EcoPlus lives up to our motto: *Sustainable, Durable, Affordable*. Ecologic Furniture is pleased to still carry this option today.

- Recycled resin
- Low maintenance
- Moisture and fade resistant
- 100% green alternative.
